- 3) The amendment to the ~~M.C.~~ P. F. Rules
proposed by the Mysore City Municipal
Council is reported to be the outcome
of a prolonged agitation by the Sweepers
and Scavengers for the Municipality
for the abolition of the Scheme and
refund of their subscriptions. There
is at present no provision in the Rules
for the grant of loans to the subscribers
out of the provident fund. Hence to
make the Scheme attractive and give
a govt. to the agitation of Sweepers
and Scavengers, the Council has proposed
to amend the Rules so as to provide
for the grant of loans out of the Provident
Fund which would be recoverable in
32 equal monthly instalments carrying
interest on the principal amount at
4½%. Even under the State Provident
Fund Scheme provision ~~does~~ exist
for the grant of such loans and
the proposal is therefore reasonable
and may perhaps be accepted.

Subject - Amendment of Municipal Provident Fund
Rules so as to permit grant of loans to the
Subscribers

Sw MAS

I write to state that the ^{municipal} Provident Fund Scheme, as in vogue
in Government commercial departments was introduced in this -
Municipality as per G O No L 6552-4/M1 111-41-150 dated -
31-12-1943 A copy of the rules as slightly amended in respect
of Rule 16 in G O No L 2111-12-CM 5-49-4 dated 12-2-49 regard-
ing the investment of the amount is enclosed for ready reference

The sweepers and scavengers of the Municipality have been
agitating during the past 2 years for the abolition of the very
scheme and the refund of their contributions. This agitation
is seen to be partly due to the imperfect appreciation of the
full benefits of the scheme as also to the fact that there is
at present no provision for the grant of loans to the subscribers
out of the Provident Fund

The question of amending the rule in this behalf was there-
fore taken up and referred to the Legal Committee by the Council
The recommendation of the Legal Committee as contained in their
resolution No 9/9-11-51, for the addition of Rule 12 A and a
sub para to Rule 13 having been approved by the Council in their
resolution No 803 dated 15-12-51, it was brought up for ^{the} con-
sideration with due notice, before the Council on 8-3-52 who

who unanimously approved of the slight modifications suggested in my note date 14-2-1952

In enclosing the copies of the resolutions, and the relevant extracts from my note adverted to in the resolutions, I request you kindly to obtain urgent orders of Government approving the amendment of the Municipal Provident Fund Rules so as to enable grant of loans to its subscribers
